Station Mangalore, Dated the 20th September 1936.

From (Name) Khan Bahadur Muhammad Humayun Saheb Bahadur
R.A.,
(Designation) Collector of South Kanara.

To The Secretary to the Government of Madras,

Home Department,
Madras.

Sir,

The Attavar Panchayat Court as constituted in G.O.No. Ms. 766 Law (General) Department, dated 4-3-1933 has jurisdiction over the villages of Attavar, Mangalore Thota, Kadri, Kodialbail and Bolur in Mangalore Taluk. These villages are portions of Mangalore Town and looking at their importance the present jurisdiction of the Court has to be considered to be too extensive. Complaints have been received that the residents of Bolur and Kadri find it inconvenient to attend the court as they have to go long distances of 2 to 3 miles. The Court has also become unpopular. The defects can be set right by abolishing the present court and having

three Courts in its place. I submit herewith two notifications, one for the abolition of the Court as at present constituted and the other for the establishment of three new Courts in its place from 1-1-1937. The proposals have been carefully scrutinised by me in consultation with the Revenue Divisional Officer and the Tahsildar of Mangalore. They may be approved and the notifications directed to be published.

2. In G.O. No. Ms. 548 Revenue Department dated 11-3-1936, the Government sanctioned the retention for a period of one year from 1-4-1936 of a temporary assistant karnam on Rs.13-8-0 per mensem at Attavar village for work connected with the existing Panchayat Court in the village. As the existing Panchayat Court is proposed to be abolished from 1-1-1937, the temporary assistant karnam will be ordered to continue to work from 1-1-1937 to 31-3-1937 in the new Panchayat Court that will be constituted for Attavar and Mangalore Thota villages. The total number of suits relating to these two villages tried in the existing Panchayat Court was 566, while the volume of work relating to the other groups was considerably less as shown in

The number of suits relating to Allavar and
